

Waste Electrical and Electronic Equipment (WEEE)

B2B Declaration of Compliance

As a producer of business to business Electrical and Electronic Equipment (EEE), UPS, STS & Batteries. Socomec will arrange collection, treatment, recovery and environmentally sound disposal of the equipment.

The WEEE will be taken to an Approved Authorised Treatment Facility (AATF), who will arrange for the WEEE to be recycled. Evidence will be issued to prove the correct recycling has occurred.

It is the Customer's responsibility to take all necessary measures under the directives including, where applicable, taking all necessary steps to uninstall the WEEE and/or Batteries and arrange for their removal or keep them available for removal, on pallet(s) if necessary, in accordance with the locally applicable collection and treatment process.
